**General Note:**

The financial statements and supplemental information contained herein are preliminary, unaudited and may not comply in all material respects with generally accepted accounting principles ("GAAP") in the United States ("U.S."). In certain instances, accounting principles or concepts, specific to the region (e.g., Murabaha) are used.

The unaudited financial statements have been derived from the books and records of Arcapita Investment Holdings Limited ("AIHL" or the "Debtor"). This information, however has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. or other GAAP, and upon application of such procedures (e.g., asset impairment), the Debtor believes that the financial information could be subject to changes, and these changes could be material. The information furnished in this report includes normal recurring adjustments but does not include all adjustments that would typically be made for financial information in accordance with U.S. or other regional GAAP.

The results of operations contained herein are not necessarily indicative of results which may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial positions of the Debtor in the future.

**General Note:**

The financial statements and supplemental information contained herein are preliminary, unaudited and may not comply in all material respects with generally accepted accounting principles ("GAAP") in the United States ("U.S."). In certain instances, accounting principles or concepts, specific to the region (e.g., Murabaha) are used.

The unaudited financial statements have been derived from the books and records of Arcapita LT Holdings Limited (the "Debtor"). This information, however has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. or other GAAP, and upon application of such procedures (e.g., asset impairment), the Debtor believes that the financial information could be subject to changes, and these changes could be material. The information furnished in this report includes normal recurring adjustments but does not include all adjustments that would typically be made for financial information in accordance with U.S. or other regional GAAP.

The results of operations contained herein are not necessarily indicative of results which may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial positions of the Debtor in the future.

**General Note:**

The financial statements and supplemental information contained herein are preliminary, unaudited and may not comply in all material respects with generally accepted accounting principles ("GAAP") in the United States ("U.S.").

The unaudited financial statements have been derived from the books and records of WindTurbine Holdings Limited (the "Debtor"). This information, however has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. or other GAAP, and upon application of such procedures (e.g., asset impairment), the Debtor believes that the financial information could be subject to changes, and these changes could be material. The information furnished in this report includes normal recurring adjustments but does not include all adjustments that would typically be made for financial information in accordance with U.S. or other regional GAAP.

The results of operations contained herein are not necessarily indicative of results which may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial positions of the Debtor in the future.

**General Note:**

The financial statements and supplemental information contained herein are preliminary, unaudited and may not comply in all material respects with generally accepted accounting principles ("GAAP") in the United States ("U.S.").

The unaudited financial statements have been derived from the books and records of RailInvest Holdings Limited (the "Debtor"). This information, however has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. or other GAAP, and upon application of such procedures (e.g., asset impairment), the Debtor believes that the financial information could be subject to changes, and these changes could be material. The information furnished in this report includes normal recurring adjustments but does not include all adjustments that would typically be made for financial information in accordance with U.S. or other regional GAAP.

The results of operations contained herein are not necessarily indicative of results which may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial positions of the Debtor in the future.
