ORDER GRANTING TWENTY-FIRST OMNIBUS OBJECTION TO CLAIMS

Upon the objection, dated June 16, 2017 (the “Twenty-First Objection”)² of the Plan Administrator appointed in these cases seeking entry of an order pursuant to 11 U.S.C. §§ 503 and 507 and Rule 3007 of the Federal Rules of Bankruptcy Procedure reclassifying each of the proofs of claim listed on Exhibit A attached to the Twenty-First Objection on the basis that such claims are incorrectly classified as administrative expense claims, for the reasons stated on such Exhibit; and due and sufficient notice of the Twenty-First Objection and the opportunity for a hearing thereon having been provided (i) by individualized notice to the claimants listed on Exhibit A at the addresses set forth on the claimants’ respective proofs of claim, (ii) counsel for the Committee, and (iii) the Office of the United States Trustee; and no objections having been filed; and a certificate of no objection having been filed on July 19, 2017; and the Court having determined that no hearing is necessary pursuant to Local Bankruptcy Rule 9075-2; and, after due deliberation, the Court having determined that the Twenty-First Objection sufficiently rebuts the prima facie validity of each of the proofs of claim at issue and that the respective claimants have not established a sufficient basis for the priority claimed in such proofs of claim; and the Court having determined that the legal and factual basis set forth in the Twenty-First Objection establish cause for the relief granted herein and that such relief is in the best interest of the Debtors’ estates, creditors and other parties in interest; and good and sufficient cause appearing, it is hereby
