Re: Allowed Claim of Allen Harper, Case No. 13-22840 (RDD)
In re Sound Shore Medical Center of Westchester, et al.

Dear Honorable Judge Drain:

Enclosed herewith please find a copy of a missive forwarded to Ms. Terrano regarding the bad check issued to me in connection with my allowed claim in the above-referenced matter. The missive is self-explanatory.

I felt it appropriate to bring this matter to your attention because it is unfathomable to my mind that such a thing could happen, when to my understanding the funds are suppose to be in an Estate bank account? At any rate, my bank says that the funds to cover the check were not available. Of course, if I have not heard that the situation has been corrected within the next couple of days, I will be filing a motion with the Bankruptcy Court.

In concluding, I thank you in advance for your time and consideration in this matter.

Respectfully,

Allen Harper

Re: **In re SOUND SHORE MEDICAL CENTER OF WESTCHESTER, et al.,**
CASE No. 13-22840 (RDD)
ALLOWED CLAIM OF ALLEN HARPER

Dear Ms. Terrano:

The manager at Wells Fargo Bank, in Charlotte, North Carolina has brought to the attention of my attorney-in-fact, Ms. Valerie Agyemang, that the check issued in connection with my allowed claim in the above-referenced matter did not have the funds available to enable the check to be cashed, which is totally unacceptable, especially, in light of the all of the delays that have occurred in the distribution being made. My agent-in-fact was instructed to contact you and ascertain the problem, and after speaking with Mr. Adam Berkowitz, Esq., of Garfunkel Wild, who asked that the Bank manager call him and explain the actual problem; I am writing this to inform you that whatever the problem it needs to be corrected immediately, and you need to advice me that the problem has been corrected so that I might proceed with taking care of my business.

It is beyond unreasonable that you would issue a check to me in connection with my allowed claim, without funds being available to cover the check, which amounts to issuing a bad check, a crime, no less! I am also advised that my first name is misspelled on the check, though, my first name is correctly spelled in every filing with the court: Allen; that should also be corrected.

In concluding this, I shall anticipate a response from you promptly regarding this matter, informing me that it has been corrected.

Respectfully,

Allen Harper
