Re: Case No. 17-12560 (KJC)

Woodbridge Group of Companies, LLC, et al

Dear Honorable Judge Kevin J. Carey-

Please let it go on record that I, Ruth Cloonan, holder of a note in the amount of \$50,000.00 in this case; hereby oppose the Dip Loan.

As creditors we were sold notes that were to be FIRST Position notes. The Dip loan puts us in

Ruth Cloonan

vs

Woodbridge

Case No. 17-12560 (KJC)

a non-secured position behind not only litigation fees and expenses, but also this outside party providing the Dip Loan.

Since we as creditors were fraudulently misled; I believe that all assets of Woodbridge Group of Companies should be liquidated and rewarded to the note holders.

Also criminal charges and attachments to the personal properties of the Shapiros should be filed and any recovery rewarded to the note holders.

Sincerely —  
Ruth Cloonan
