On January 12, 2018, I submitted a Proof of Claim, Official Form 410. I received a response from Woodbridge Group of Companies in Dublin OH that this was received on January 19, 2018 and assigned claim number 468. I verified the latter on the Claims Register/Creditor Search.

This week I learned indirectly that an attorney, David Thomas Johnson, of Salem, Oregon, submitted a Proof of Claim, Official Form 410 on March 12, 2018 in my name. I had never contacted this attorney, and had no dealings with him, until this morning when I left a message on his office phone inquiring about how he happened to submit this without my knowledge or authorization. Please be advised that he is not my attorney, nor my authorized agent. Any notices or payments should be sent to me, not to him.

Thank you for your attention to this matter.
